THE Preamble to the Bill of Rights

My NAME IS Roy. Leardo Snell Jr. I am a United States Citizen born on American soil on March, 6, 1965 both of my Parents worked for the United States Government. My Mom EDB SNELL worked for the IRS until the Day she died. My father Roy. L. Snell Sr. retired from the military. The United States Army (he built tanks). Then he moved to white cloud, mich. & worked for the federal Government at the forestry division, (DNR) a game warden.

I HAVE BEEN Locked UP IN The Newaygo County Jail Syst. for The last 3 YEARS NO LAWYER & NO TRAIL for a Crime They claim allegedly happen 40-YEARS AGO supposedly (They Think) MAYBE ??? My Rights have been violated!

My Constitution as well as my Civil rights as a US citizen of the United States of America has been abused, neglected and destroyed by the State of Mich & The Newaygo County Sheriff department. They came and took me from the hospital at H.C.M.C. in the State of Minnesota, city of Minneapolis (mpls., mn). I had an emergency operation there because my kidneys stop working. When I woke up I was hand cuffed to the hospital bed & brought to the Newaygo County jail cell # B-8 and have been here ever since. All I had on was a hospital gown and blanket.

(#3.)

A detective named Scot Rios came out of retirement & put together an unlawful case by illegal means he abused & neglected the power granted to him by the Newaygo County Sheriff dept. Now an ex-detective came out of retirement, OBSTRUCT JUSTICE, and Tamper With Evidence & Alter a Crime Scene, as well as WITNESS TAMPERING, Perjury, presenting false evidence in court, having people who don't even know me (Ray L. Snell Jr.) Give False testimony on the stand under Oath in Court. His witness Nolan Gant was brought here from a Tenn. Prison to Testify for the State of Mich. Took The Stand & Stated that he did not know me at all. My Lawyer at the time was Rick Prysock & my lawyer questioned Nolan Gant while he was on the stand. Nolan Gant continued to say as part of his testimony that he did not know me & that they were even paying him to testify against me. The Atty. General stood up in Court & Stated to the Court that they made a deal in fact to write letters of recommendation that Nolan Gant be released from prison in exchange for his testimony against me. Nolan Gant was in Grand Rapids, MI, at Kent County Jail for a

(#5)

People going in + out of the vehicle, tampering with so called evidence (supposedly they claimed). Still after all of this + all of this time the very same vehicle that they claimed to be their so called crime scene where a murder was so called allegedly took place supposedly 40 years ago was never even secured by NO one + this is supposed to be a capital offense that took place but no yellow tape, no finger prints, no blood splatter pattern, no impact pattern. Just undiluted Type A Blood that was taken from Karen Atwood the mother of the family + Law Enforcement / Prosecution sprinkled the undiluted Type A Blood into the car mixed with animal blood took photos + entered the photos into court as evidence of a murder scene. Karen Atwood married into the family, so; there for Rick Atwoods blood type could have never been Type A + After all the years of people going in + out of the vehicle the Type A Blood that was found inside of the vehicle they claim would have been diluted exposed to all of the elements + traffic of people over

#7/

As my defense I CAN'T Re-visit the Alleged crime scene, nor re-enact the scene of the crime, nor cross examine the prosecution & law enforcement I believe that I have a legal right to properly defend myself in a court of law & to meet my accuser & examine the evidence & the testimony. How CAN I DO ANY OF THIS ??? How?

→ THERE IS NOBODY, THERE IS NO WEAPON, THERE IS NO MOTIVE, NO WITNESSES, NO TYPE OF PHYSICAL EVIDENCES. There is NOTHING that constitutes the facts of a crime of murder. Homicide w/ weapons ever took place so how CAN I Be Sitting in Newaygo County Jail for 3-years NO TRAIL & NO LAWYER for a crime that NEVER happens (they claim 40-years ago). Especially AFTER they DESTROYED the vehicle? where is the crime scene at? They claimed that they had a new technology that they claim that found my DNA on a Cigg. Butt found in the vehicle that proves that I am a killer! Now, this is so hard for me to understand & believe all of this. Why because all of their witnesses that they put on the stand testified under oath that me (Ray Snel) & Walter Sanders, & Rick Arnold & Dave Gribbin

(#9)

For a crime they think maybe happen 40-years ago? For my two children Ray L. Snell III & my daughter Kayla V Snell in Foster care to be neglected & abused on maybe they think I did a crime 40-years ago? Where is me & my childrens civil & constitutional rights at & who defends us? Where is the truth & The Justice in all of this, where is the innocent until proven guilty at, where is my due process, my right to a trial & my right to a trial, my right to fast & speedy I can go on & on about how my rights was violated & abused all for what? Why me? Just because I am black, The only reason I am here is because the color of my skin This is Racism, This is a clear case of Racial discrimination. A Black man in an all white County (Newaygo County, white Cleveland, MI.) only 1-2 Black People in the whole County of Newaygo, MI. So, Just because I am black then I have no rights, I don't have no court date NO lawyer, I just sit in jail until I die & my children in Foster care Forever? I have kidney & heart problems only 3 to 5 years to even live
